EXTENSION

To the buyers:

Welcome to the 2022 Hettinger Ram Sale!

The North Dakota Lamb and Wool Producers Association has made every attempt to ensure a high-quality offering of purebred and commercial rams.

North Dakota Lamb & Wool
Producers Association

1. All rams have been sifted by a committee of three breeders and a veterinarian. Rams have been **Elisa** tested within 30 days of sale or are from current Brucella Ovis-free flocks.
2. All rams must originate from flocks that have been inspected and found free of foot rot.
3. Minimum weight and scrotal circumference:
 - Yearlings – 220 pounds and 32 centimeters
 - Lambs – 120 pounds and 30 centimeters
4. All animals must be bred and owned by the seller.
5. Registration papers and the cost of transfer are strictly between the buyer and seller.
6. All rams will be guaranteed breeders (ram lambs are not subject to guarantee in year of purchase). The guarantee is between the buyer and seller.
7. Health papers will be available for out-of-state buyers.
8. The catalog is arranged in sale order, with rams first, followed by ewe entries.
9. Phone bids will be accepted by the Sale Committee and NDWLPA board members. See numbers below.

Please enjoy viewing this year's consignments and visiting with your fellow sheep producers.

Sincerely,

David Brown, Sale Committee.....701-840-7598

Last year we purchased 44 head of Rambouillet ewes from Steve and Joy Kitzan flock dispersal. With our goal of raising Rambouillet ram bucks with a focus on pounds of lamb weaned and fine wool. We purchased a polled stud ram from Tim Brown. These lambs are the result of our first mating. There will be production data available on sales day. More information can be found on our Facebook page Epperly Family Hampshires.
