EXTENSION

To the buyers:

Welcome to the 2023 North Dakota Lamb and Wool Producers Association Hettinger Ram Sale!

The North Dakota Lamb and Wool Producers Association has made every attempt to ensure a high-quality offering of purebred and commercial rams.

1. All rams have been sifted by a committee of three breeders and a veterinarian. Rams have been Elisa tested within 30 days of sale or are from current Brucella Ovis-free flocks.
2. All rams must originate from flocks that have been inspected and found free of foot rot.
3. Minimum weight and scrotal circumference:
 - Yearlings – 220 pounds and 32 centimeters
 - Lambs – 120 pounds and 30 centimeters
4. All animals must be bred and owned by the seller.
5. Registration papers and the cost of transfer are strictly between the buyer and seller.
6. All rams will be guaranteed breeders (ram lambs are not subject to guarantee in year of purchase). The guarantee is between buyer and seller.
7. Health papers will be available for out-of-state buyers.
8. The catalog is arranged in sale order by breeds then individual breeders. Rams will sell first, then ewes will be sold at gate cut.
9. Phone bids will be accepted by the sales committee and North Dakota Lamb and Wool Producers Association board members. See numbers below.

Please enjoy viewing this year's consignments and visiting with your fellow sheep producers.
